Aspirant Consulting Group

PRACTITIONER-LED TRAINING

ONE-DAY COURSE

FTO Calibration

Evaluation, Documentation, and Remediation

Realign evaluation, documentation, feedback, and remediation around shared performance standards.

HOSTED BY ALLEGHENY COUNTY POLICE ACADEMY

COURSE OVERVIEW

This course is designed for experienced FTOs and supervisors who need to realign daily training, evaluation, documentation, and remediation practices. Participants examine where inconsistency and program drift develop, practice applying **shared performance standards**, and strengthen the quality of feedback and written evaluations. Attendees leave better prepared to make fair, consistent, and defensible training decisions.

01 Reinforcing evaluation standards

02 Addressing inconsistencies in training

03 Improving documentation and feedback

04 Strengthening program effectiveness

05 Connecting remediation to identified needs

06 Making fair, consistent, and defensible decisions

WHO SHOULD ATTEND

- Experienced Field Training Officers
- Supervisors responsible for field training programs
- Agencies that need to realign evaluation, documentation, and remediation
